Born at Gaec Du Bois Brillant, the combination will appeal to breeders looking for production and Type.

LBB LALICE EX92, his dam, is currently in her 5th lactation was intermediate champion Swiss Expo 2018 and grand champion SPACE 2017 and 2019.

LBB GENIAL EX90, his grand dam, also champion of SPACE was part of the France team during the European show in Mende in 2016. The family goes back to the famous Pirouette EX 92 (Denmark).

LBB RALICE is one the best O Malley sons for milk with a strong profile, like his dam who produced in 4th lactation in 305 days 13086 kg at 3.47 %P.

He brings depth and strength in the body and the rump, with very good feet and legs.

The udder will be very good with a strong ligament and a high rear attachment.

He will improve fertility and is BB A2A2.
